[AH Formatter V7.2 64bit Windows.exe](#)

[AH Formatter V7.2 64bit Windows.zip](#)

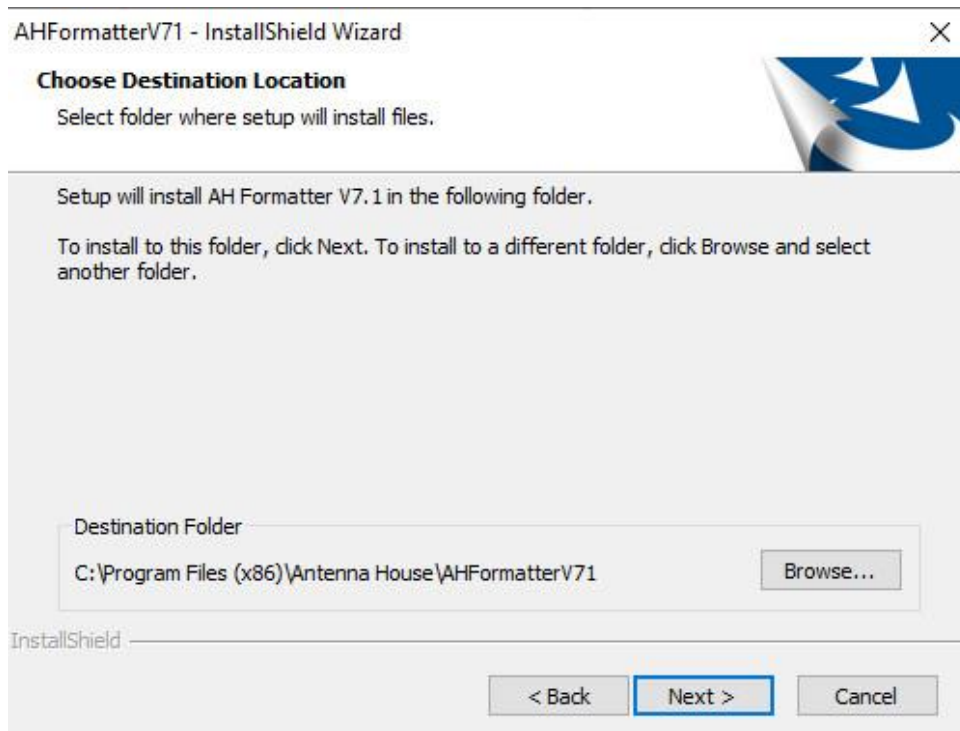

Install AH Formatter V7.2

After downloading '**V7-2-R1-Windows_X64_64E**', please invoke it from Windows Explorer. The following window will appear. Install AH Formatter according to the directions in the dialog.

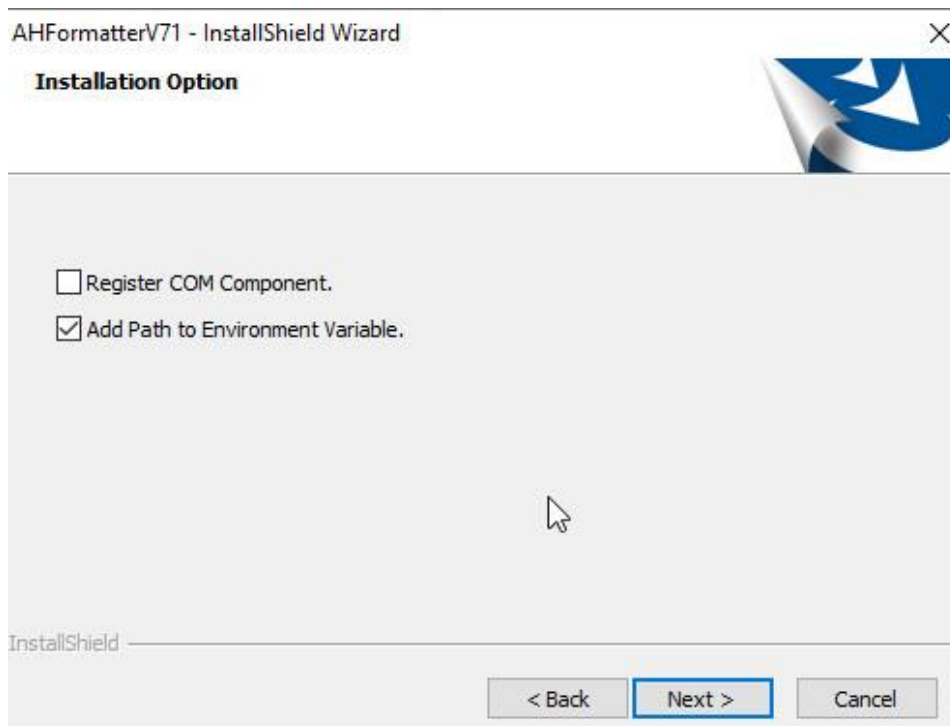

1. Please read and accept the terms of the License Agreement.

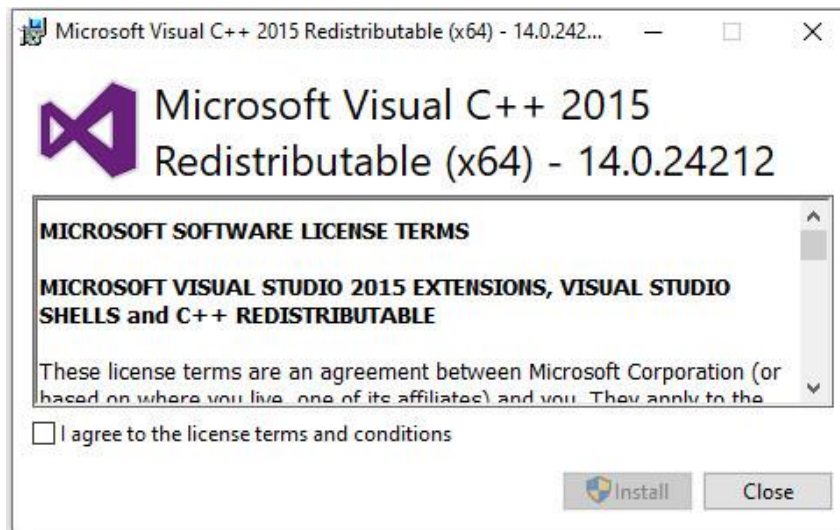

2. Choose the Installation Folder

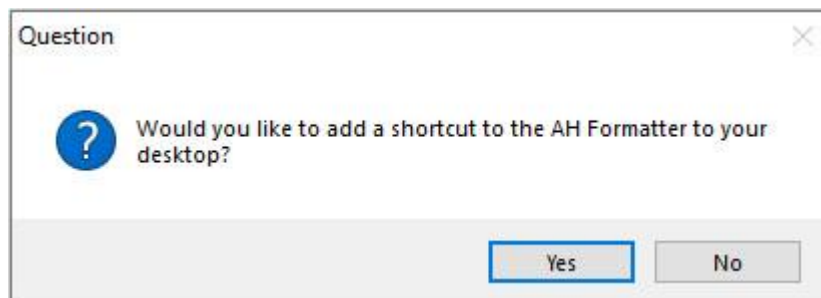

3. Choose the installation option.

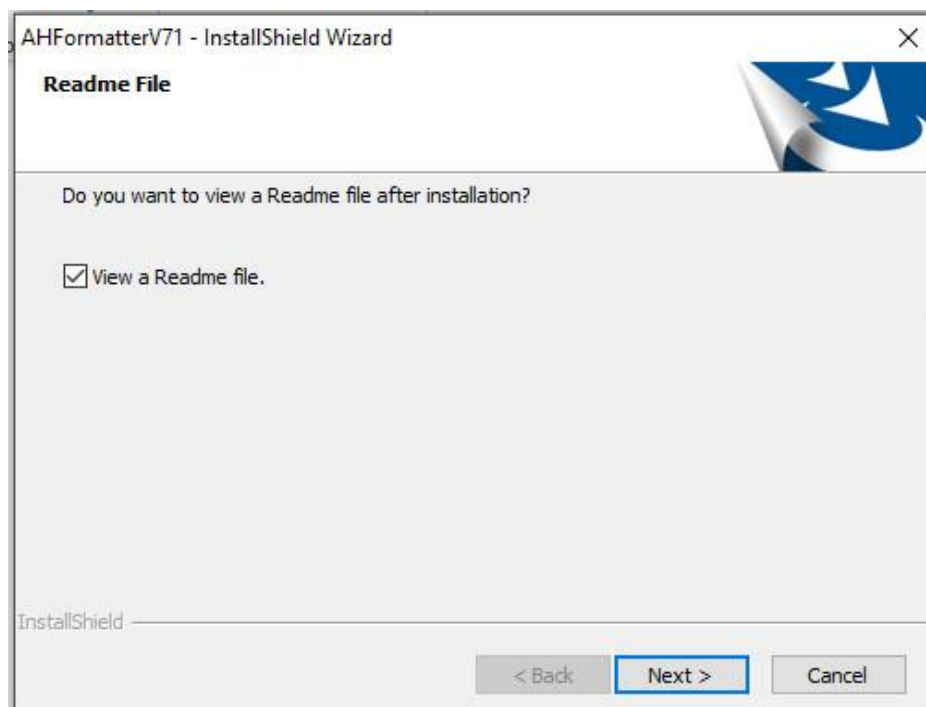

4. Microsoft Visual C Agreement
Please read and accept the terms of the License Agreement.

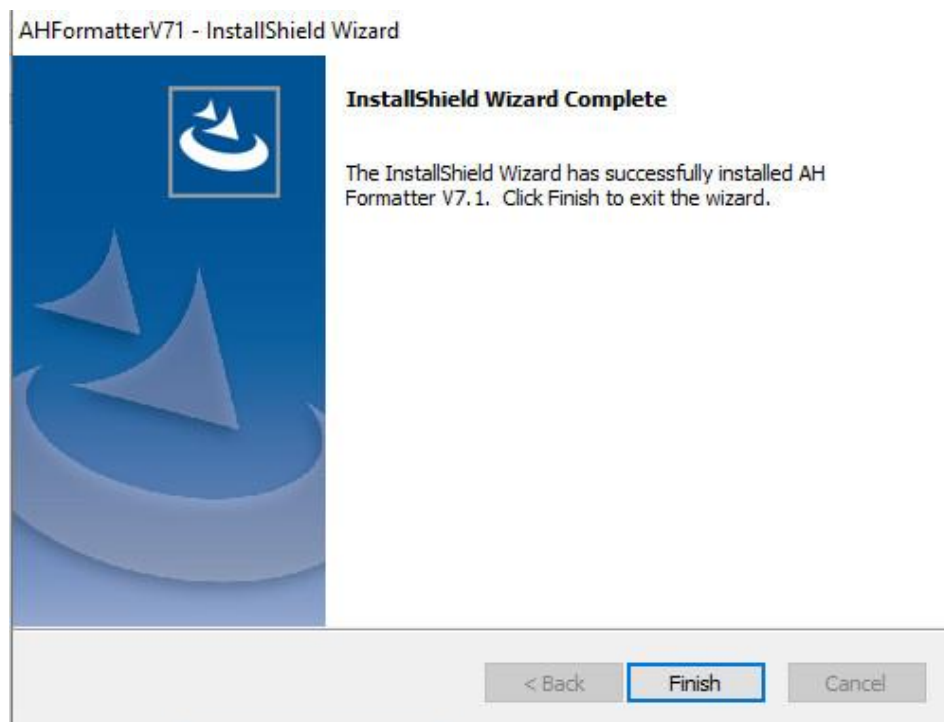

5. Choose to add a shortcut to your desktop.

6. View a Readme File after installation.

7. The installation is complete

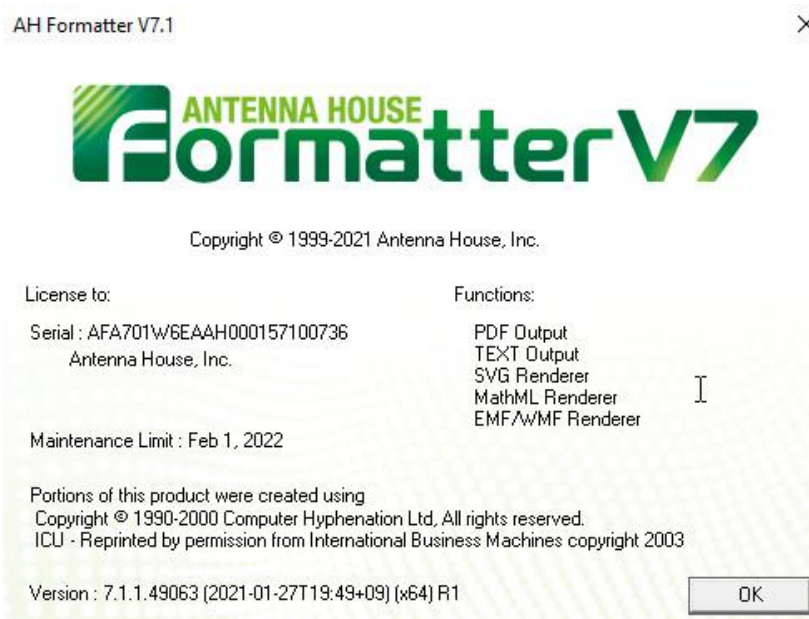

Note

- Installed Antenna House Formatter is an **Evaluation Version**. Proceed to License Key Installation.

License Key Installation

1. Copy and paste the user license key (ahformatter.lic) to the AHFormatterV71 Program folder.
2. Launch AH Formatter from windows start-menu or from the shortcut on your desktop. Select Help-About AH Formatter V71 from the drop-down menu. You can confirm your license has been copied.

Note

- By installing the license file, the watermark will disappear.
- Please store "**ahformatter.lic**" on your computer responsibly. It will be necessary to access this file when you re-install AH Formatter.
- If you have any questions about installation, please contact us via E-Mail at info@antennahouse.com

Technical Support

Free Technical Support

AH Formatter is provided with 90-day free technical support for those customers who have purchased Formatter directly from Antenna House or one of our authorized Resellers.

Consulting Service

Consulting service provides you with help in developing your XSLT Stylesheets development and XSL Specifications.

Consulting service can take several different forms:

- Assistance in writing stylesheets
- Actual writing of stylesheets
- Adding extensions to the core product

Maintenance Service

Warranty

AH Formatter is provided with a 90 day warranty. During the 90 day period bug fixes and point releases are provided to new customers.

Please feel free to send us any bug reports for AH Formatter. Maintenance releases are provided via our web site for correction of AH Formatter bugs.

Annual Maintenance Contract

After the 90 days warranty period, customer must purchase an Annual Maintenance Contract to continue to receive maintenance releases and upgrade versions. ONLY customers who have paid the maintenance fee will be supplied the license key for new versions of AH Formatter.

Through the Annual Maintenance Contract Antenna House provides customers with:

- Updates to the core product in the form of point releases
- All major releases of AH Formatter
- Support for fixing bugs and solving problems customers are having with AH Formatter. This support is generally provided through emails to support@antennahouse.com
- Support for "how to questions" on using AH Formatter.
